

National
Trust

Volunteer at Clandon Park and Hatchlands Park. Use your skills to support the National Trust.

Time well spent

Outside

Why not help at reception, become a garden guide, drive our visitor buggy or help with car parking?

Inside

You could become a room steward, helping our visitors appreciate the houses and their collections. Or would you like to give short talks, help in the shop or play the organ at Hatchlands?

Events

Why not join our enthusiastic team of volunteers to help with a wide range of events, sell raffle tickets or help in the office?

Volunteers receive free entry to all NT properties and 20% off in our shops.
